Game Introduction

Another incredible game from Big Time Gaming that pushes the boundaries of player's feature choice; with a first to market feature that gives the player a random symbol as a sticky wild for the duration of the feature.

Take yourself back to the early 2000's when this song was riding high in the charts Danger High Voltage has a great feeling of Nostalgia for AB male and females players in their 30's – 50's

The New York Times called the song "catchier than anything on the radio!"

The Guardian called it "insanely catchy",

Danger High Voltage a 4096 Ways slot with a twist with two incredible features to choose from as well as a base game with bags of potential.

Design Rationale

Danger is a combination of "Rock Star" tattoo and high tech HTML5 lighting systems that delivers a very unique looking slot. We have built the game around the song with every aspect of the lyrics brought to life. This in turn creates relevance for fans of the song and at the same will bring interest to players that have never heard the song.
