Multiplier Free Drops

A minimum of 3 bonus symbols triggers the Multiplier Free Drops bonus game, played with a persistent multiplier. In the bonus game, every bonus symbol increases the multiplier for the remaining drops.

Buy Bonus

The new Buy Bonus feature makes it possible to go straight into Multiplier Free Drops, awarding 10 to 25 free drops! Choose between the standard bonus or a super bonus starting with an x10 multiplier which can only increase.

Ice Climber

The Ice Climber feature replaces itself and all other symbols above with high-value symbols and wilds. Empty spaces underneath a big Ice Climber symbol fill the gaps with wilds.

Expanding Win

When part of a win, the Expanding Win symbol will expand in the direction of the arrows. The expansion replaces all symbols in its path except wilds, Ice Climber symbols, and bonus symbols.

Big Symbols

All low, mid, and high-value symbols and wilds come in big sizes, and fill all empty spaces underneath with that same symbol. Big Symbols range from the big 2x2 all the way up to the epic 4x4.
