

Pied Piper

PIED PIPER

The legendary Pied Piper is back! But instead of chasing the mice away, everyone's invited to this joyous celebration where players can win BIG!

Set in the city of Hamelin, this man in colourful clothing has brought his pipe along to give you a really exciting gaming experience.

The central aim in this game is triggering the walking feature, where all the mice follow the Pied Piper as the game respins.

And just when you think the game is over, the Piper might return for more respins! Triggering the Free Spins will create an enhanced bonus experience as well, because as night falls over the city of Hamelin, there's even more mice to catch!

This game is jam-packed with exciting gameplay and awesome features, all to the tunes of joyful music and beautiful graphics that will rival any animation studio!

QUICKSPIN

Game Features

Piper Respins

When a Piper Wild symbol lands fully on the reels, the Piper Respin feature is triggered! This can happen both in the base game and in Free Spins. For each respin, the Piper Wild symbol, and any Mouse Wild symbol that's present on the reels, will take one step to the left on the reel.

Mystery Re-trigger

In the final spin of the Piper Respins feature, there's a chance of a Mystery Re-trigger! The Piper will then enter the game on the reel furthest to the right, to award 5 new respins.

Free Spins

When you get 3 Bonus Scatter symbols in the same spin, you will get 10 Free Spins! 1 to 6 guaranteed Mouse Wild symbols will be randomly added to the reels with every spin.

Piper Wild symbol

The Piper Wild symbol is a 4*1 stacked Wild symbol, and when you get this, it initiates the Piper Respins feature! The Piper Wild symbol is only present on reel 3, 4, and 5, and it works as a substitute for all other symbols (except for the Bonus Scatter symbol).
